

Empty Lipid Nanoparticle (LNP), Control

Catalog: BSLNP-001Z

PRODUCT INFORMATION

Name	Empty Lipid Nanoparticle (LNP), Control
Cat No.	BSLNP-001Z
Product Overview	This product is an empty lipid nanoparticles and can be used as a control in delivery research. The average particle size of this product is ~100nm.
Form	Liquid
Storage Buffer	PBS with 5% sucrose
Concentration	The total lipid concentration is 2.5mM
Storage	Store at -80 °C
