

# Ovalbumin-mRNA Lipid Nanoparticle (LNP)

Catalog: BSLNP-004Z

## PRODUCT INFORMATION

---

<b>Name</b>	Ovalbumin-mRNA Lipid Nanoparticle (LNP)
<b>Cat No.</b>	BSLNP-004Z
<b>Product Overview</b>	This product encapsulates 100g/mL Ovalbumin-mRNA in lipid nanoparticles. It has been designed to produce high expression level of Ovalbumin protein which is commonly used antigen for immunization and biochemical studies and also an established model allergen for airway hyper responsiveness.
<b>Form</b>	Liquid
<b>Storage Buffer</b>	PBS with 5% sucrose
<b>Concentration</b>	The total lipid concentration is 2.5mM
<b>Storage</b>	Store at -80 °C
