

Phosphatidylethanolamine, PE (brain, bovine)

Catalog: Lipo-487

PRODUCT INFORMATION

Name Phosphatidylethanolamine, PE (brain, bovine)

Cat No. Lipo-487

Product Overview Phosphatidylethanolamines are a class of phospholipids found in biological membranes.

Purity >98%

Application Liposome production; Natural Lipid

Synonyms PE (brain, bovine); L- α -phosphatidylethanolamine (brain, bovine)
