

Phosphatidylglycerol,PG (egg)

Catalog: Lipo-493

PRODUCT INFORMATION

Name	Phosphatidylglycerol,PG (egg)
Cat No.	Lipo-493
CAS	383907-64-0
Product Overview	The general structure of phosphatidylglycerol consists of a L-glycerol 3-phosphate backbone ester-bonded to either saturated or unsaturated fatty acids on carbons 1 and 2.
Purity	>98%
Application	Liposome production; Natural Lipid
Synonyms	PG (egg); L- α -phosphatidylglycerol (egg)
