

Phosphatidylserine,PS (soybean)

Catalog: Lipo-496

PRODUCT INFORMATION

Name	Phosphatidylserine,PS (soybean)
Cat No.	Lipo-496
CAS	383908-63-2
Product Overview	Phosphatidylserine (abbreviated Ptd-L-Ser or PS) is a phospholipid and is a component of the cell membrane. It plays a key role in cell cycle signaling, specifically in relationship to apoptosis.
Purity	>96%
Application	Liposome production; Natural Lipid
Synonyms	PS (soybean); L- α -Phosphatidylserine (soybean)
